

## PUBLIC NOTICE

### LAUNCH OF THE SEVEN YEAR TREASURY BOND

On behalf of the Government of the United Republic of Tanzania (URT), the Bank of Tanzania is announcing the launch of the 7-year Treasury bond on **August 21, 2002**. The purpose of the new bond is to continue lengthening the maturity profile of government debt and extending the yield curve in order to facilitate financial intermediation.

The general terms and conditions for the 7-year Treasury bond will be similar to those applicable for the 2 and 5-year Treasury bonds currently listed at the Dar es Salaam Stock Exchange. However, specific details for the 7-year Treasury bond issue will be released in the Call for Tender, in line with the current practice. Please note that the previously released **Quarterly Bonds Auction Schedule** has been modified for the month of August as indicated below.

Auction Type	Term Type	Allotment Method	Auction Amount	Auction Date
Treasury bonds	7 Year	Multiple price	4.0 bn	21.08.2002
